Dean's Message

In the name of God the most Merciful, the most Compassionate

And with it we seek help

Praise be to Allah who taught with the pen and taught man what he did not know, and peace and blessings be upon the most honorable of the messengers of our Prophet Muhammad and on his family and companions.

Qassim University seeks to provide advanced and accredited university education to prepare integrated competencies that meet the needs of the labor market and provide community services and distinguished applied research, in a way that elevates the local community and contributes to building a knowledge economy, using the latest administrative, technical and information methods, activating national and international partnership and developing the university's resources. The Center for University Studies for Female Students seeks to contribute to an active role in achieving the vision, mission and objectives of the university, and the center is supervised by His Excellency the Vice President for Educational Affairs, Prof. Dr. Ahmed Al-Tami. The female sections enjoy the generous support of the university leadership, represented by His Excellency the President of the University and its vice presidents, to provide an educational environment that stimulates learning and creativity.

The center includes seven colleges in addition to the Deanship of Educational Services. These colleges are the College of Medicine, the College of Dentistry, the College of Pharmacy, the College of Applied Medical Sciences, the College of Nursing, the College of Computer and the College of Business. It also includes the Vice Deanship of Admission and Registration for Female Sections and the Vice Deanship of Student Affairs for Female Student Activities. The center coordinates between these colleges and those deanships.

This website was established to be a bridge of communication and contribute to the employment of technology to provide the desired communication between the Deanship of the Center and faculty members, employees and those interested in following the news of the Center and we seek to provide services through it to students and affiliates. We welcome you to this site, looking forward to your suggestions and observations in order to achieve the vision and mission of Qassim University, and I ask God to achieve this site its goal and to guide us to what he loves and pleases him and to help us serve religion and then the country.
