

Qassim University - College of Engineering – Department of Civil Engineering

Lectures Timetable for CE B.Sc. Program – Male and Female – 471

Lectures Timetable for CE M.Sc. Program – Male – 471

General Registration Instructions:

1. Students should register course sections of the same group (A, B, or C) for all courses at the same level.
2. Students should register lab sections of the same number (1, 2, or 3) for all courses at the same level.
3. The registration of students who register course sections of different groups of a level will be either deleted or modified since this effect the registration of other students.
4. The registration of CE491 (SDP-1) and its corequisite CE elective course will be made by the department.
5. Students should register CE492 (SDP-2) based on their CE491 supervisors in Semester 462.
6. Students are responsible for ensuring that there are no conflicts in their midterm exams (this for students registering course from more than one level).
7. Graduate students who have finished course work must register CE699.
8. Student resources (program plans, course specifications, timetables, handbooks) can be found at: CE Student Resources: <https://shorturl.at/O5nl9>

Lectures Timetable for CE B.Sc. Program – Level 4 – Male – 471
