

Qassim University - College of Engineering - Department of Civil Engineering

Lectures Timetable for CE B.Sc. Program - Male and Female - 481

Lectures Timetable for CE M.Sc. Program - Male - 481

General Registration Instructions:

1. Students should register course sections of the same group (A, B, or C) for all courses at the same level.
2. Students should register lab sections of the same number (1, 2, or 3) for all courses at the same level.
3. Courses and/or section with strikethrough (~~xxx~~) are not offered unless decided otherwise by the department/college.
4. The registration of students who register course sections of different groups of a level will be either deleted or modified since this affects the registration of other students.
5. The registration of CE491 (SDP-1) and its corequisite CE elective course will be made by the department based on the SDP selection process.
6. Students should register CE492 (SDP-2) based on their CE491 supervisors in Semester 472.
7. Students are responsible for ensuring that there are no conflicts in their midterm exams (this for students registering course from more than one level).
8. Graduate students who have finished course work must register CE699.
9. Student resources (program plans, course specifications, updated timetables, handbooks) can be found at: **CE Student Resources:**
